

THE
Baptist
SCHOOL OF HEALTH
Professions

ALUMNI ASSOCIATION

Baptist School of Health Professions was founded over 110 years ago to provide healthcare professionals with the tools and experience to make a difference in the health and wellbeing of our community.

Over the years, graduates like you have directly impacted the health of countless individuals both locally and globally.

WHY SHOULD YOU JOIN?

Every member of the Alumni Association is an important part of our heritage—you are qualified ambassadors of the teaching and preparation that goes on here, and can share the Baptist School of Health Professions experience with current and potential students, partners and colleagues.

The main goal of the Alumni Association is to build a connected community of classmates and faculty that goes beyond education.
